Experience

Carlow Golf Club / **Groundskeeper**

June 2022 – Present

· Assisted in the preparation and running of the course for numerous tournaments including a PGA event.

· Quickly learned new skills and adapted to different responsibilities as needed to ensure the smooth operation of the golf course.

· Developed effective working relationships with colleagues and maintained a positive and collaborative team dynamic.

TEAM Rural / **Web Developer**

March 2022 – September 2022

· Played a key role in rebranding the company as well as designing and building the company's website.

· Worked with international students to develop the business identity and social media presence.

· Collaborated with businesses and universities across the world to expand our connections, this included Colombia, Italy, Germany, South Africa, and more.

Argos / **Stockroom Assistant**

September 2018 – January 2019

· Worked collaboratively in a fast-paced environment

· Showed ability to work methodically and cope well under pressure and used data analytics to improve personal workflow and performance

· Awarded for exceptional performance within 1st month
